

28th November 2023

Re: Rocket Science Community Show.
Monday 11th December 2023 17.00-18.00

Dear Parent/Carer,

You are invited to attend a Rocket Science Community Show, delivered by the Royal Institution of Science and hosted by Ysgol Treffynnon. The science show is jam-packed with experiments and explosions to excite and engage the whole family.

Students from Year 7 and 8 will attend a more educational show earlier in the day on the topic of energy.

Tickets are limited in the first instance to 4 per family, students will also need a ticket and this is included in the total allocation. Tickets will be allocated on a first come first serve basis. Please return the reply slip below to Mr Holmes (Room SC2.1), indicating the number of tickets requested in total.

Please arrive 10 minutes early to be seated in time for a 5pm start.

I look forward to meeting you on the evening, for what should be an exciting show.

Mr Holmes

Head of Science, Technology & ICT.
