

17th April 2024

Dear Parent/Carers,

I am writing to you regarding the **Year 6 Glanllyn Residential 2024**. In order to smooth the transition from the Primary School to Secondary at Ysgol Treffynnon, we are preparing our annual Year 6 Residential. We are returning to Glanllyn in Bala again this year, which we are certain will continue to be a huge success [for more information visit <http://www.urdd.org/en/glan-llyn>].

The residential will provide a valuable opportunity for students to get to know each other, their form tutors and teaching staff. Teachers from some of the feeder Primary Schools will also be present to enhance their feelings of security. It is intended to be a fun learning experience where the children will have the opportunity to undertake unusual and exciting activities in order to acquire new skills and learn about themselves.

The **Year 6 residential at Glanllyn will depart on Wednesday 26th June 2024 and return on Friday 28th June 2024**. In previous years the residential has made an extremely positive difference to the Year 6 transition into Year 7. It embeds students' sense of belonging, security and relaxation in their first few weeks here at Ysgol Treffynnon; enabling a more effective start to their learning.

During the residential a wide variety of activities will be available from rock climbing and kayaking to ten pin bowling and raft making. As in previous years we are sure everyone will have a very enjoyable experience. Under the guidance of their Form Tutors the groups will do a variety of 'team building' challenges that will enable them to work together to develop both skills and confidence.

The cost will be £185 per child which will cover two nights' accommodation, all meals, instructor led activities and coach transport to and from Glanllyn. In the first instance we ask that you pay a deposit of £40 [non-refundable] by **Wednesday 8th May 2024** in order to secure a place on the Residential for your child and so we can determine numbers.

The final payment for Glanllyn will be required by Friday 7th June 2024. Parents have the opportunity to pay in regular instalments on the School Gateway to ease the financial burden.

Ysgol Treffynnon is committed to supporting students and families to ensure that all students have the opportunity to engage in exciting and valuable experiences. If your child is eligible to free school meals, the cost of the trip will be subsidised by the school and the payments are adjusted to represent this on your School Gateway account.
